Dear Planning and Zoning Members,

I am writing in support of the installation of the sculpture *Rock Paper Scissors*, generously donated to the Town by Ann Sheffer and Bill Scheffler, outside the Library. I think this work is a fantastic addition to the public sculpture in town. Its whimsical design appeals to adults and children alike, and installed in the proposed location, it would be a creative and welcoming guidepost to the library's main entrance from the police station parking lot.

Best wishes,

Ive Covaci
